- 5- We had lengthy discussion on formula of IFF and the impact on AAA noting that we will be starting out \$71,00 less immediately on top of receiving the same amount the past 15 years. Encouraged people to reach out to political figures to let them know, that the aging population is getting less help and we can no longer sustain many services which is critical for our agency to be able to help and that we have some very tough decisions ahead to keep this agency afloat.

- 7- Lori Heaton discussed proposed training for fall 2025 on Dementia, possible sites to be held and what audiences to target.
